

Auction Number 88

**Closing date for all bids:
August 20, 2024 at 9:00am
(New Zealand time).**

INTRODUCTION:

All lots in this auction have a **70% reserve**.

VIEWING OF LOTS:

1. All lots can also be viewed in full colour on the website (www.classicstamps.co.nz/auctions).
2. Photocopies of lots can be sent to clients requesting them (does not include large lots and collections).

POSTAL BIDS:

Postal bids are accepted using the attached bid form. Please allow sufficient time for them to be received before the closing time. Please note that mail delays are not uncommon although turnaround times have improved since our last auction. We cannot accept any bids received after the closing time as they need to be entered into the website program well before that time.

WEB SITE BIDS:

The auction is available on the web site where every lot can be viewed in colour.

A link to the auction will be on the front page of the main web site (www.classicstamps.co.nz).

Should you wish to bid using the website, you have the added advantage of:

- Being able to choose to 'watch items' without placing bids. To do this click on the 'Add to my Watch List' link on interested lots. If that lot receives a bid you will automatically be notified by email,
- Search for items using a key word (e.g. 'Cinderella' will bring up all lots with Cinderella in the description).
- Receive an email notification of your bids placed,
- Receive an email when you have been outbid on any lot,
- Receive an email any time you increase your bid(s).

Should you wish to bid using the web site's facility, you will need to pre-register on the site.

Near the top left corner of the website's front page, there is a box "**New Customers, Click Here to Register**". Click there and follow the prompts that appear.

Should you have any trouble in registering, contact Paul Wales at Classic Stamps Ltd.

BUYERS PREMIUM:

For this auction, we **ARE NOT** adding a Buyer's Premium.

We also do not charge a credit card surcharge.

15% GST is charged on lots sold to New Zealand Bidders.

RESERVES:

The Reserves on all lots is 70% of the estimate shown in the catalogue.

LAYBY:

We can offer payment for accounts greater than \$500 to be split into thirds (one equal charge per month). Please contact us if you wish to have your invoice split.

EXCHANGE RATES:

The New Zealand dollar rate of exchange experiences small fluctuations against other currencies.

The NZ\$ has dropped a little lately making it better for overseas buyers.

Currently (July), one NZ\$ is approximately now equal to AUS\$0.89; USD\$0.60; UK£0.47 and 0.56€.

INDEX OF LOTS:

See the attached cross reference of lots for making it easier when looking for topics of interest.

NOTE:

- All lots have been scanned and are on the web site. Should you wish to see a lot, please contact us and we will send a photocopy.
- Stamps are generally listed according to their SG (Stanley Gibbons) catalogue number.
- Covers are generally listed by their date of posting.
- The descriptions are minimal due to the weight of the catalogue form posting. If you want a more descriptive text, let us know or go to the website to see the full text.
- Classic Stamps Ltd can be contacted by post (address at the top of the front page); phone (+64 3 322 1201) or email (paul@classicstamps.co.nz).
